*CLASS OF 1970*

We would like to thank Class Reunion Enterprises for doing such a great job. A good time was had by all and old friendships were renewed.

Chris Berg put it best when he wrote,

*"That the years will have taught us to put aside the juvenile social barriers all teenagers impose on each other. Let's enjoy our differences and thank God we're not all alike."*

Keep in touch and see you at the next reunion. Any volunteers!
